Thanks for your entries. I hope you enjoyed the day. We hope to see your Juniors at the Junior Regatta in July and the Autumn Head in October.

Manchester University won the Victor Ludorum with a resounding 109 points; Sheffield were next with 41 points and Lancaster third with 26 points. The VL trophy will be posted on to Manchester after we have it engraved.

Manchester University also won the Christie cup – their men’s crew won easily and the women’s crew by 5 hundredths of a second!
